

Cyber Smart Free Digital Workshops

Teaching you skills to bring technology into your everyday life

Struggling with technology? Don't worry - we're here for you! Our patient tutors will help you feel confident using phones, tablets, and computers. Whether you want to video call your family, use NHS services, or manage your benefits online, we'll help you every step of the way.

All abilities welcome!

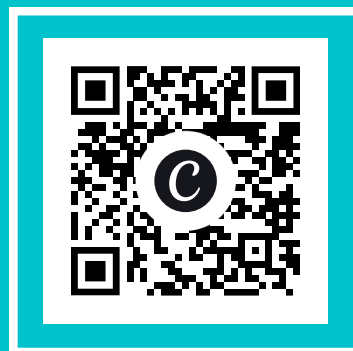

Learn what YOU need

Get help with:

- Computer basics (Word, Excel)
- Video calls & emails
- File organisation
- Social media

Or find out more about:
